

AI WITHOUT FEAR

Awareness, not Avoidance

*"Where the mind is without fear
and the head is held high,
where knowledge is free."*

- Rabindranath Tagore, Nobel Laureate in Literature

Join Meemli, with friends and family, for an enjoyable, informative afternoon about using AI with confidence.

For parents, educators, and anyone curious about AI. Kids welcome.

CONNECT

Meet others who care about education, youth, AI, and our collective futures.

HEAR

Hear from engaging early adopters in education, creative arts, and product development.

LEARN

Learn how Meemli will help students and families with limited access to enriched educational opportunities prepare for a future with AI.

ABOUT MEEMLI

Every student deserves access to high-quality learning and academic support. At no cost to families, Meemli brings both within reach through the expertise of educators, the convenience of technology, and the power of community.

Our new AI awareness program will bring their whole family into the world of AI - building confidence and knowledge, while losing the fear, together.

We warmly welcome your support!
